Absent: Traci Vincent, Sabrina Winston

Meeting called to order at 12:08 pm.

- July meeting minutes were reviewed and approved.
- The question was readdressed within the group if PAS tools were a billable activity. Also, some PAS tool surveys have not been completed.
- Case Management issues were brought up. Three agencies will be quitting Case Management Services: CLO, Susie Decker, IBT and the FMS provider, Payroll Plus. Discussed why affiliates are pulling out and what the issues are. Point discussed heavily was Medicaid billing was too stressful.
- Recap of Statewide Quality Oversight Committee attended by Coleen and Sabrina. They will meet again after a long hiatus not meeting. Questions asked by initiating meeting again: what are the expectations and or outcomes? Overall frustration with submitting PAS and the State doesn't do anything with the information.
- Discussed the new Person Centered Support Plan. Any questions a person might have regarding the template could contact Eva with KDHE.

Updates:

- Carolyn reported school and classes for her child getting more expensive. Ron reports that things are going well at Cappers-they have been doing a lot of cleaning!!

Meeting adjourned at 12:55 pm.
