CDDO Updates:

- If any service provider or person served still waiting for responses from Aetna, email Sabrina and she will help get these addressed.
- Reminder that Aetna is honoring all authorized service for 90 days.
- Consider attending Town Hall Meetings facilitated by Aetna.
- PCSP spreadsheet needs to be sent to the State directly or to the CDDO and we will send along for providers.
- The Peer Review for the CDD is January 9th, 2019 and all providers were sent a survey to complete, please do so and get sent back ASAP.
- We are still asking you to email Shelley Duffey with Help Tickets for BCI until another solution has been found.
- Reminding Providers and families to make sure to bring all information and documentation to BASIS' meetings, very important.
- Policy-90 day minimum, before policy kicks in, have funds in place.
- Make sure HCBS is established and advocate for the person served not to move out before funding is established. Same can be said for PRTF.
- MCO needs to be notifying KDADS staff when person is moving out.

Guest Speaker(s):
